- Heavy-Duty Metal Dock
- Lockable M12 Ethernet
- RS232 and Camera Input
- DC 12 to 32 V Power

The BKT865-LAN-01 is a heavy-duty metal dock for MDT865 and MDT880 rugged tablets with lockable M12 Ethernet, 1x RS232, 1x camera input, USB-C charging and DC 12 to 32 V power. An M12-to-RJ45 adapter is included.

It is a practical choice for compact docking installations that require secure Ethernet connectivity.

Compatible with: Topicon MDT880, Topicon MDT865
