- Integrated 1D/2D barcode scanner
- Fixed metal dock
- USB-C power supply
- Optional RJ45 Ethernet

The BKT865-LAN-02 is a fixed metal dock for MDT865 and MDT880 rugged tablets with an integrated 1D/2D barcode scanner. It is powered via USB-C and can optionally be combined with RJ45 Ethernet.

It is ideal for warehouse check-in, inventory and station-based scanning applications.

Compatible with: Topicon MDT880, Topicon MDT865
