- Integrated 1D/2D scanner
- Fixed metal dock
- USB-C power input
- Optional RJ45 Ethernet

The BKT1065-LAN-02 is a fixed metal dock for MDT1065 rugged tablets with an integrated 1D/2D barcode scanner. It is powered via USB-C and can optionally be combined with RJ45 Ethernet.

This dock is ideal for warehouse check-in, inventory and station-based scanning applications.

**Compatible with:** Topicon MDT1065, Topicon MDT1080
